

EQUATIONS AND EXPRESSIONS

July 23, 24, 25

Ginger Hall Model Classroom

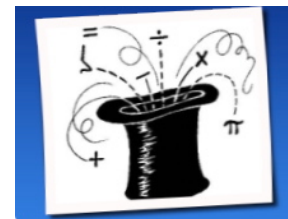

Morehead State University

Want to learn innovative, fun, creative and effective strategies to teach algebraic thinking? Join your fellow 7th, 8th and 9th grade teachers in an active, engaging workshop that will change how you teach algebra!

Receive **ALL** the materials presented, pre- and posttest, hands-on games, and presentation Power Points! **Free!**

M^3 Making Math Magic

Vonda Stamm and **Ann Booth** provide professional development opportunities to enrich instructional practices. While these practices focus on students' needs, they intentionally confirm the correlation between the new Common Core and Practice Standards.

Registration is open! Click on the link below.

https://www.surveymonkey.com/s/equations_expressions

\$75 Fee will be charged for meals. You will be asked to provide data, pre and post test scores, to assist in evaluating the workshop outcomes.
